June 8, 2019 - I returned to the game and the SFO disappeared. There are still submods for SFO, but I can't find the main mod in the workshop. me how he joined modder Steel Faith in 2017 as part of the SFO team. SFO was developed in 2017 and the SFO team began work in 2017 with the goal of improving the engine so that it gives players more performance and gives them the feeling of being in a modern video game. We had very few resources and although we all worked together, we mostly worked in our spare time. We don't have the resources to continue or
