Forget what you think you know about football. FIFA is the complete football package, from tackling to shin kicking. Every decision you make, every pass, every tackle, and every goal will have consequences. Play how you want - your way - with more variety than ever before. What's New

Football Intelligence • The new positioning system delivers anticipation and intelligence, enabling players to make smarter decisions on the pitch. **Elasticity** • Aggressive player control is combined with a new ball physics system to give players more ball control and grace in tight spaces. **Fluid Motion** • Players now move seamlessly between offence and defence, becoming more fluid with the ball and vice versa. **Athleticism** • Players are more accurate and reactive, and because they are being tracked by an on-pitch intelligence system, the ball will be repositioned for longer in all game-changing situations. **Sprinting** • Player sprint speed is up by more than four percent, enabling them to accelerate to multiple levels in a single move. **Physically-Based Player Trajectory** • The more it challenges, the more it bobs, the higher the realistic trajectory of the ball. **Pace** • Player acceleration has been improved to allow players to move at or above top speed for the first time. **Crosses** • Players have improved crossing techniques and power, allowing them to execute accurate long-range balls. **Accuracy** • Players are more accurate when they shoot, with a tighter control of the ball. **Speed** • Accurate long-range shots are easier to score against, and defenders can no longer control the ball with ease. **Passing** • Players execute more crisp, accurate passes, with the ability to connect short, medium, and long range passes in tighter spaces. **Take-Ons** • Players win more take-on challenges, with more of them scored. **New Career Experience** • New features bring lifelike player behaviour, including new player interaction and better dialogue choices. **Multiplayer** • New game modes and social features, including Clubs, Longshots, and Universal Freekick, reward progression and mastery. **Improved Immersion** • Players' physical appearance has been refined to bring the game closer to life with a new customisable in-game self-tune system. **I-drift** • Foot control has been improved, allowing players to make more precise cuts and direction changes with the ball.
