**Samurai For PC [Updated-2022]**

**Download**

Samurai is a unique set of 16 icons that may be used to replace your website or desktop icons therefore giving a special look to them. Samurai can be used for any of the folders, shortcuts or applications you have on your PC. These icons

---

may also easily enhance a website's main pages too. The icons are in the typical.ico format and have the standard dimensions of 48x48. After changing the regular (default) icons to Samurai you will be amazed by their new look and that's not the only thing you will receive from Samurai. You also

---

get superb, high-resolution and vector-ready icons that can be used for web pages, icons, launch bars, logos, business cards, flyers and much more. These icons do not look like they belong to the Windows operating system. If you have managed to find anything else similar to this set of icons in the

---

internet, you have probably noticed that this Samurai package is a huge thing to get, and is very well worth its 10.95 USD price tag. However, if you are the type that never takes a risk, you may consider buying from us a trial version of Samurai, to find out for yourself if this is the right way

---

for you to get a great looking set of icons. Samurai Trial Version: This Samurai trial version is a full, working copy of Samurai with all the features that you would expect from a fully working product. This is a perfect way to try Samurai before you buy it, and enjoy all the features that it has to offer,

---

without any risk. Features: The trial version of Samurai is a full working copy of the product You can easily import your own desktop icons and apply Samurai to them You will receive all the Samurai website's elements and a template that you may use for your project You will enjoy the

---

Samurai trial version for 180 days You will get a set of screenshots so you can show them to your friend or client and explain to them how these icons look like You can see how Samurai looks in your computer by downloading the full version After your trial period, you can uninstall Samurai to continue

---

using them or you can keep them Samurai is available in two different languages:

Japanese English Samurai's Japanese language icons are high-quality but the English language ones are perfectly up to the standard for the world's most popular language.
