The brand new fantasy action RPG from renowned Japanese developer and publisher, FromSoftware, entitled “Elden Ring”, is coming soon to the PlayStation®4 computer entertainment system. The latest action RPG from the developer of cult-classic masterpiece, “Dark Souls”, “Elden Ring” enables players to create their own custom character, and seamlessly connect with others in the game while traveling between vast worlds. Explore a vast open world full of excitement, where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. An epic drama in which the various thoughts of the characters intersect in the Lands Between, and the mysterious “Elden Ring” is at the center of the story. Key Features · Open World With Variety: Explore a vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. · A Legendary Story: An epic drama in which the various thoughts of the characters intersect in the Lands Between, and the mysterious “Elden Ring” is at the center of the story. · Custom-tailored Characters: Players can freely combine weapons and armor that they equip, allowing them to create their own unique character. · Unique Online Play: In addition to multiplayer, where you can directly connect with other players, the game supports a unique asynchronous online element that allows you to feel the presence of others. · Three-Dimensional Gameplay: The world of “Elden Ring” is richly detailed, and battles are executed with the character models and combat systems that only a third-person RPG can provide. ABOUT FROMSOFTWARE FromSoftware is a Japanese video game development and publishing company. Founded in 1990 by Hidetaka Miyazaki, FromSoftware is well known for the critically acclaimed dark fantasy action role-playing game series “Dark Souls” and the cult-classic RPG “Devil May Cry 4”. FromSoftware is also well known for the psychological horror experience “Bloodborne”, which was released in 2016 for the PlayStation®4 computer entertainment system. We are back with an interview with Santa Monica Studio about their new game. The game will be available at PlayStation Store in Europe from 7th of August, and in North America from the 20th of September. Check out our interview. PSLs: How did the collaboration for Elden Ring and the Elden Ring Project start? Keith Bulyeat: I had a meeting with Shawn Murray while he was with Sega, in which I had been talking about some of the projects he had lined up for the next few years and asked me if I was interested in anything, which I was. After that, we looked at his game roadmap, and he asked me if I had anything in mind. I told him I didn't but I would consider some of the projects he had lined up. And then he said “well we have this project, the Elden Ring.” I got on it and was pretty happy with what it was turning out to be, so we started looking for a publisher. We made a presentation to our publisher in Japan and they were excited about the project, but they only had some of the funding for the project. After talking to the publisher, it was clear that the developers wouldn't be able to release the project on the one they had in mind, so we started looking at some other publishers. Fortunately, we found another publisher who had the capital and was excited by the project. After that, we went to create a prototype on Steam with the money that we had already been able to raise. After the prototype was finished and tested, we were able to show a prototype to Sony. What made the PlayStation 4 version so special was that the base was similar to what we had with the Steam version. What we had to do for the PlayStation 4 version was to bring the art direction and art from the Unity level editor to that level so that the fluidity of the experience was comparable to what it was on PC. PSLs: You are quite famous for your console action games. What else have you brought to the table for the PlayStation 4? Keith Bulyeat: We are never one to fall back on tradition. We are always looking for a different direction. In the past we have taken a lot of risks in the console space and have not stuck to safe fare. What we have done with Elden Ring is to go back to what we know, which is console action, but it has been re-imagined. PS bff6bb2d33

What's new in Elden Ring:

Heroic Action Game Valkyria Revolution On Vita

HEROIC ADVENTURE; INTENSE ACTION; CLASSIC VITA GRAPHICS. In Valkyria Revolution, the action begins once again as a civilian soldier named Alex, fleeing the Valkyria wars, and the people and creatures of his home in the peaceful, rural outskirts of the Skelia Capital. Encountering an army of mysterious, monstrous Valkyria and succeeding to defeat them, Alex becomes an infamous hero for a social structure in which he is the first recruit. However, the Valkyria army sends out agents to assassinate resistance fighters and a hidden society known as the Patriots, instigated by one of their own. No longer content to fight alone, Alex rushes into battle yet again, and joins forces with two other heroes in a perilous battle against the Valkyria.

THIS IS A BUNDLE VERSION. As a great RPG game with high customization options and retro-like graphics, Valkyria Chronicles 2 is highly recommended for fans of the series.

Impossible Road Race On Vita

RUN LIKE A CRUSADER IN A GAME THAT MAKES YOU RUN LIKE A BUBBLE TRICK.

UNSTOPPABLE ACTION IN THE FAR DEEPEST HILLS OF CONCUSSION.

A race down the impossible road is an experience far worse than dead. An endless carnage of crushed dreams and wasted passion. You can no more roll into the wall and stay alive. Your drivers and vehicles are driven to collide with an enraged fury. Watch your back, lest a stray accident strew your crushed foes into the winding path behind you. And be careful not to fall off your moving vehicle, as many a race you've won or lost depends on your ultimate position.

Super Sengoku Musou On Vita

STORY-BASED RENAISSANCE COMBAT ACTION GAME. THE SEGREGATION OF THE BATTLE TO SAVE THE JAPAN IS OVER. The time of bringing forth the world has arrived in Sengoku Musou, with a great message of the independence of each country. To maintain this peace, the 16th century struggle is returning to the world of the warring states period of Japanese history. Will you play as one of the many warriors vying for power during this time, or
